## DISPOSITION

Action: Approved Action date: August 20, 2002

Effective dates of authority granted: August 20, 2002 - August 20, 2004

Basis for approval: The authority is provided for in the U.S.-Iceland Air Services Agreement, and MD Airlines has been properly designated by Iceland to operate the requested services. We found, based on the record, the applicant operationally and financially qualified, and properly licensed, to conduct the proposed services. The record indicates that the carrier is owned 50% by a citizen of Iceland and 50% by a Swedish company. To the extent necessary, MD requested a waiver of our citizenship requirements. We granted the carrier's request. Despite the presence of non-homeland interests, we found that there was nothing in the ownership and control of the carrier that would be inimical to U.S. aviation policy or interests. Therefore, we concluded that waiver of our standard requirement that substantial ownership and effective control of a foreign carrier rest in the hands of citizens of its homeland was warranted. Finally, the FAA has advised us that it knows of no reason why the Department should act unfavorably on the carrier's application.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

X Standard exemption conditions (attached)

Foreign air carrier permit conditions (Order - -)

Action taken by: Paul L. Gretch, Director

Office of International Aviation

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
